ALLOCATION AUGUST 2022

By now, all current service users should have confirmed their required Breakfast and Afterschool days for next year. In doing this, it will allow us to allocate spaces to the waiting list. Several days are now full. If you haven't done so, please inform the service of the days you require.

IMPORTANT if you have a younger child and will require the service in the years to come, please email the service for the year appropriate booking form or find our online booking form via our website.

ABSENCES

If your child is going to be absent from the service, please can you let the staff know by sending a text to the service. This saves staff valuable time at registration. This also applies for Afterschool clubs run by the school themselves, please let us know what day and time they will be attending the school club.

FEES

Please ensure these are always up-to-date and 2 weeks in advance. Please contact the service if you require a spreadsheet with your payments to allow you to track your costs. Payments should be made in whole pounds

and for whole weeks only. Parents do please look at the benefits of using the Government Childcare Scheme to save up to £2 per £8 pd <https://sosc.org/osc-a-to-z/tax-free-childcare>

BOARD GAMES

As you will have seen, we are outdoors a lot of the time as per the children's request. However, on the wet and wild days, the children have been enjoying some old-style board games such as twister, connect 4 and snakes and ladders.
